2 Topic of the Course

Your answer to this question help us decide whether the course you would like to offer fits to the primary topic of the Summer School. Your answer here will be used for the internal selection process, thus point-form notes, instead of full sentences will be sufficient.

Describe briefly the subject area from of the call that you will be covering in the course.*

Maximum 500 characters (incl. Blanks).

3 Organizational information

Max. number of participants

Suggested number of participants: 20-30 per course

Can you offer the course in German also?

If you mark „yes“, we may contact you if there are not enough courses being offered in German.

yes no

Material that is needed

This is about material for facilitation. There probably will be no current in the tents, also no beamer. If you want show to something anyway you have to print it yourself or display it on your own device/ laptop.

Financial support for realizing the course and travel costs (if applicable)

Last year we supported the courses on average with 200 EUR. One quarter of the courses had no need for support at all. Our resources are limited. If it is not possible to give everyone the desired amount we will contact you.

I/We are financially save and need no financial support.

I/We need financial support of (max. 400 EUR incl. travel costs): _____ EUR
